BARREL PROOF

—PREMIUM 4 GRAIN— BLENDED BOURBON

750 mL | 114 Proof | 57% Alc./Vol

They are all ghost stories. Every story we share over a glass of whiskey. Each anecdote told while sharing this 4-grain whiskey gets carved into the Ghostwood tree and becomes a part of its legend. It soaks up a part of you and seeps into the roots and hearty Montana soil. One glass and the darkness becomes less foreboding and beckons you to live beyond the firelight.
